

SIGLA: States and Institutions of Governance in Latin America

Release Note

Version 2.0 | April 2023

Hosted by Georgetown University

Data Highlights

- This beta version of SIGLA includes data on Annual Chief Executive Reports in the 20 Latin American countries that all SIGLA institutional categories will eventually include.
- For each country, SIGLA provides:
 - Information on the most recent report, including links to videos and transcripts;
 - Summary of the constitutionally mandated executive report procedure; and
 - Original Text and Source describing the constitutionally mandated executive report

Tech Highlights

- Annual Chief Executive Reports is accessible under Explore Data;
- Users may filter Annual Chief Executive Reports by inputting key terms in the search bar above the table; and
- Users may download Annual Chief Executive Reports in an Excel file

Website Highlights

- “Research Methodology” has been updated to reflect the addition of the Annual Chief Executive Report.
- “Technical Codebook” has been updated to include all variables included in SIGLA version 2.0
